

Welcome to the website for the Technology, Information Policy, Intergovernmental Relations and Procurement Subcommittee.

The subcommittee has legislative jurisdiction over public information, including Freedom of Information and Advisory Committees, federal information technology and data standards, procurement and grant reform, the relationship between the federal government and states and municipalities, including unfunded mandates. The subcommittee also has oversight jurisdiction over public broadcasting.

Please feel free to share your thoughts and comments about our subcommittee. We also welcome your suggestions on topics for our subcommittee to investigate.
